

## 1.4.2 ACTION TAKEN REPORT OF THE INSTITUTION ON FEEDBACK OBTAINED

### **Bhawabhuti Mahavidyalaya Amgaon Dist. Gondia**

#### **Academic Session: 2020-2021**

#### **FEEDBACK ANALYSIS & ACTION TAKEN REPORT**

##### **(i) Students' Feedback: Analysis and Action Taken Report**

###### **Significant Suggestions from students:**

1. More Number of reference books to be provided from library
2. Increase drinking water facility point in the premise of the institution

###### **Action Taken:**

In the feedback it was noticed that most of the students gave positive responses to all the five aspects. The aspects where satisfactory remark was not given by few students have been considered for necessary improvement. On the basis of the feedback obtained, necessary changes/improvements were implemented in the fields like Teaching Learning Activity, College Administration, Library and all other physical facilities in the college. The college library provides one extra addition BT card to all admitted students which can be used to barrow a book other than the text book. In addition e-library facility has been provided to all the admitted students to refer online books/study material /academic videos, etc. Numbers of drinking water points in the college premises were increased.

**(ii) Teachers' Feedback:** The institution collected the feedback from the teaching staff members on the implementation of curriculum, teaching-learning and evaluation methods and use of central library.

###### **Significant suggestions from the teaching staff members:**

1. Renovating the Toilet and Urinal facilities for teaching staff.
2. Provide more number of Computers and Printing and Scanning facilities in various departments.

**Action taken:** In the feedback the teaching staff members mentioned that they use various ICT tools for teaching activity, conduct unit tests, assign home work/assignments and provide study materials to the students. The faculty members visit the central library regularly for text books/reference books as well as avail the facilities in the e-library. Most of the faculty members gave positive responses to all the aspects except the availability of more numbers of computers and printing and scanning facilities in the departments. This feedback was brought into the notice of the head of the institution and she took positive steps for the betterment of the institution. Computers, printers and scanners were provided to various departments. It was planned to provide the facilities of sterilized drinking water and water cooler to the teaching staff in the future. Toilet and Urinal facilities for teaching staff members were renovated.
