New Student Orientation Programme (NSOP) Session 2018-19

Quality education along with student welfare has been the key word since inception of the institution. The institution has progressively added science stream and PG to satisfy the vision. Thus educationally and economically deprived people are the Target of the institution.

To achieve this target several activities need to be carried out and the newly entering student has to be assured of all benefits of such activities. It is therefore quite in line to detail about all activities, facilities and processes available for the betterment of the student. NSOP is a major initiative introduced and institutionalized by the college. At the beginning of the session, first year students of Arts, Commerce and Science streams take up this programme.

The Institutional Vision Statement envisages Upliftment and Progress of Educationally and Economically Deprived People Through Internal and External Evaluation, Promotion and Sustenance Initiatives.
